Christmas Would You Rather

40 question cards + This or That + blank cards · ages 3 and up

How to play

Cut out the cards and put them in a stocking or a jar. Take turns drawing a card and reading it out. Everyone picks one answer and says why. There are no wrong answers.

Ways to use the cards

Party game: go around the circle. Silliest reason wins a sticker.

Classroom: one card a day in December, or a class-party game.

Dinner table: one card before the meal, everyone answers.

Car or waiting room: a grown-up reads, kids shout their answers.

Get moving: point to one side of the room for the first answer, the other side for the second.

For little ones

Page 7 is a quick This or That list. Read the two words and let them point or tick a box.

Make it last

Print on cardstock. Page 8 has blank cards so kids can write their own questions.
