Paper Snowflakes

Fold, trace, cut, open. Ages 5+ with kid scissors, or a grown-up cuts.

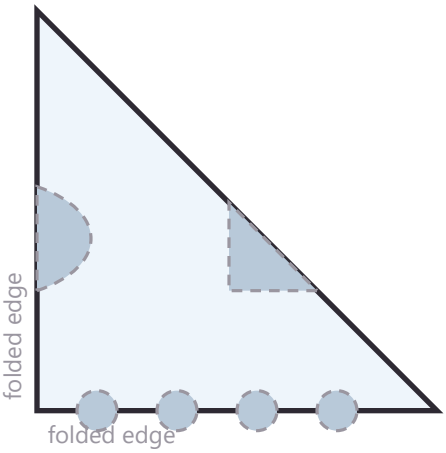

1. Cut a square of paper.
2. Fold it in half to make a triangle.
3. Fold in half again.
4. Fold in half one more time.
5. Trace a wedge below onto your folded paper, matching the folded edges.
6. Cut out the gray shapes, then gently open it up!

Make it your own

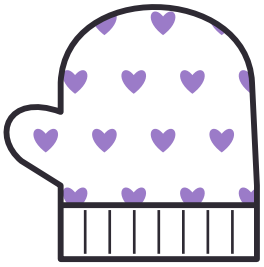

- Try your own cuts: little triangles, half circles and slits all work.
- Tape finished snowflakes to a window, or hang them from a string.
- Thin paper (printer paper or coffee filters) is easiest to cut through.
